Certain Light - Josh Ritter

Got the stream off of NPR - can't say enough good stuff about the album! This is the first song that stuck with me off it. Picking or strumming either way - Josh plays it both ways! Hope you enjoy it.

**G Bm/F#**  
My new lover, sweet and kind  
**C G**  
the kind of lover that one rarely finds  
**G/F# Em C D D/C D/B D/A**  
and i m happy for the first time in a long time

came along and opened up the door  
and thought i know i ve been in love before  
though i feel it so much more  
than the last time

**C G**  
and she only looks like you  
**C G**  
in a certain kind of light  
**C G D D/C D/B D/A**  
when she holds her head just right

It s been winter for awhile  
the north winds will cut like a baby child  
it was hard to think her smile  
could bring the springtime

but it did, now it is  
the green green grass has come up green  
and it s feeling just the way it did  
the very first time

and she only looks like you  
in a certain kind of light  
when she holds her head just right

-----Instrumental-----

**G      Bm/F#      C      G      G/F#      Em      C      D      D/C D/B      D/A**

and anymore would stretch the rind  
so let me leave this where i started  
and i m just happy for the first time  
in a long time  
in a long time.

(end on **G**)
