

Ill Be There
Josh Setterfield

[Intro]

E C#m Bm A

[Verse]

E

I see across the room,

C#m

Those eyes, so beautiful

Bm A

You ve got me captivated, girl

E

A spotlight straight from my heart

C#m

You re lighting up the dark

Bm A

I ve gotta have you in my world

Bm C#m A E

I ll pick you up if you re falling apart

Bm C#m A

I ll take you back to the start

[Chorus]

E Bm

I ll catch you if you fall

C#m

No matter how hard,

A

No matter how far, I ll be there

E Bm

I ll stay here in your arms

C#m Bm A

And nothing in the world can stop us now

E

I took a chance and fell

[Verse 2]

E C#m

I m light like paper weight every time I see your face

Bm A

It takes me back to when we met

E

Those looks, inviting eyes

C#m

lips locked and sparks will fly

Bm A

It s something I ll never forget

Bm C#m A E

We took a chance as we re falling in love

Bm C#m A

You lift me up and above

[Chorus]

E Bm
I ll catch you if you fall

C#m
No matter how hard,

A
No matter how far, I ll be there

E Bm
I ll stay here in your arms

C#m Bm A
And nothing in the world can stop us now

E
I took a chance and fell

[Instrumental]

E Bm C#m A

E Bm C#m A

[Bridge]

E
I see in front of me,
Bm C#m A
A girl I know could be by my side eternally

[Chorus]

E Bm
I ll catch you if you fall

C#m
No matter how hard,

A
No matter how far, I ll be there

E Bm
I ll stay here in your arms

C#m Bm A
And nothing in the world can stop us now

E
I took a chance and fell
