A lot of (D) things I thought I (A) knew
I (E) never dreamed I d be seein things
From (D) this point of (A) view
Still a (F#m) little ways from (C#m) slowin it all the way (D) down
But I m comin around (A)

(D-A)

I ve never been that big a fan of gettin up on Sunday mornin
And listen to that ol preacher talk was always kinda borin
I m (D) still a little more lost than I am found
But I m comin around (A)
