

Way Out Here

Josh Thompson

Hey I checked some other tabs of it, and I didn't like any of them, and most were played with a capo, so I transcribed it and tabbed it to be played without a capo, and it sounds good to me.

In key of: **F**

Intro: **Eb, Ab, Eb, Ab**

(Verse 1)

Eb **Ab**
Our houses are protected by the good Lord and a gun
Eb **Ab**
And you might meet 'em both if you show up here not welcome son
Eb **Ab**
Our necks are burnt, the roads are dirt and our trucks ain't clean

Eb **Ab**
The dogs run loose, we smoke, we chew and fry everything
Eb **Ab**
Out Here, Way out here

(Chorus)

Eb **Ab**
We won't take a dime if we ain't earned it
Eb **Ab**
When it comes to weight, brother we pull our own
Eb **Ab**
If it's our backwoods way of livin' you're concerned with
Bb
Well you can leave us alone
Cm **Bb.**
Cause were about John Wayne, Johnny Cash and
Ab
John Deere
Eb
Way out here

(Verse 2)- same chord pattern as 1st

We've got a fighting side a mile wide but we pray for peace
Cause it's mostly us that end up serving over seas

Hell if it was up to me I d love to see this Country run

Like it used to be, like it ought to be and just like it s done

The end! And if these chords are too difficult for you, then you can capo the first fret and play : **D** instead of **Eb**, **G** instead of **Ab**, **A** instead of **Bb**, and **Bm** instead of **Cm**, but Capos will handicap you in the long run, so it s best to learn

how to play without them. Let me know if you have any questions!
