In my dreams, I see

A little sky blue house beside a small stream

A front porch, a screen door,

The sound of barefeet running and cartoons.

In my dreams, your dreams come true

I come find you in your garden
Pulling weeds between the rows
Trade a kiss for a glass of water
Sit and watch what love can grow

In my dreams, your dreams
Are the only things that really matter to me
When you smile, i smile
What makes you happy makes me happy too
In my dreams, your dreams come true
In my dreams, your dreams come true
