Borrow One Day At A Time
Josh Wilson
[Intro]
     One day, one day at a time, say
     One day, one day at a time, say
[Verse 1]
Dm
  Sometimes I feel just like I did in the 8th grade
 All alone, insecure, and so very afraid
  Seems like everybody else they got it figured out
 While I m stuck here, in another nervous breakdown
[Verse 2]
Dm
 Life crashes like a panic attack
The fear of the future breaks me in half
I try so hard but it s a losing fight
I fake a smile in the day, and fall apart at night
[Pre Chorus 1]
    Dm
I m lying awake cause I just can t sleep
I toss and I turn but can t find no peace
I keep praying to God, He keeps telling me
Don t worry, don t worry
[Chorus]
Don t borrow no trouble from tomorrow
```

You ll only double your sorrow

You ll only worry your mind

```
Dm
Don t borrow no trouble from tomorrow
If you re gonna learn to follow
You gotta take it
                                Dm
One day, one day at a time, say
 One day, one day at a time, say
 One day, one day at a time, say
[Verse 3]
Dm
  I wanna learn to hold my life a little looser
 Live in the moment instead of in the future
 Let tomorrow worry about itself
And be here right now, trust all is well
[Pre Chorus 2]
Cause the flowers and birds they don t worry a bit
And a good God takes good care of them
And he loves you and me so much more than this
So don t worry, don t worry
[Chorus]
Don t borrow no trouble from tomorrow
You ll only double your sorrow
You ll only worry your mind
Don t borrow no trouble from tomorrow
If you re gonna learn to follow
You gotta take it
One day, one day at a time, say
 One day, one day at a time, say
```
