

Do You Want To Know
Josh Wilson

G

If you want a heart of sympathy

C

Then pray to God to help you, please

Em

See the world that Jesus sees

G

Yeah

G

But be careful what you ask Him for

C

Cause if youâ€™re gonna open up that door

Em G

Thereâ€™s no going back to before

C D

Cause once you see a mother who canâ€™t feed

Em C

The baby that cries in her arms

C D

Your heart will break and youâ€™ll lay awake

Em A

No, sleep wonâ€™t come quick anymore

C D G

So do you want to know?

G

You pass him on the way to work

C

He holds a sign beside the curb

Em G

You look away and avoid the hurt

G

Cause why should you be held responsible

C

Besides, heâ€™ll probably just spend it all

Em G

On cigarettes and alcohol

C D

But once you see that the man on the street

Em C

Has a name and a family like you

C **D**

Your heart will break and youâ€™ll lay awake

Em

Cause youâ€™ll understand God loves him,

A

too

C **D** **G**

So do you want to know?

Oh, no

G

If you want a heart of sympathy

C

Then pray to God to help you see

C **D**

But once you see a world thatâ€™s in need

Em **C**

And a sorrow you just canâ€™t ignore

C **D**

Your heartâ€™s gonna break and youâ€™ll lay awake

Em

Cause youâ€™ll know you could do so much

A

more

C **D** **G**

Do you want to know?
