

**I Refuse**

**Josh Wilson**

Standard Tuning

No capo

[Verse]

**G** **Em**  
Sometimes I, I just want to close my eyes  
**C**  
And act like everyone s alright  
**G** **D/F#**  
When I know they re not  
**G** **Em**  
This world needs God, but it s easier to stand and watch  
**C**  
I could pray a prayer and just move on  
**G** **D**  
Like nothing s wrong  
**C**  
But I Refuse

[Chorus]

**G**  
I don t want to live like I don t care  
**D/F#**  
I don t want to say another empty prayer  
**C** **G**  
Oh, I refuse to sit around and wait for someone else  
**D/F#**  
To do what God has called me to do myself  
**C** **D**  
I could choose not to move  
**G**  
But I refuse

[Verse]

**G** **Em**  
I can hear the least of these, crying out so desperately  
**C** **G** **D/F#**  
And I know we are the hands and feet of You, oh God  
**G** **Em**  
So if You say move, it s time for me to follow through  
**C**  
And do what I was made to do  
**G** **D/F#**  
And show them who You are

[Chorus]

**G**

I don t want to live like I don t care

**D/F#**

I don t want to say another empty prayer

**C** **G**

Oh, I refuse to sit around and wait for someone else

**D/F#**

To do what God has called me to do myself

**C** **D**

I could choose not to move

**G**

But I refuse

[Bridge]

**Em** **D** **G** **C**

I refuse to stand and watch the weary and lost cry out for help

**Em** **D** **G** **C**

I refuse to turn my back and try and act like all is well

**Em** **D** **G** **C**

I refuse to stay unchanged, to wait another day to die to myself

**Em** **D**

I refuse to make one more excuse

[Chorus]

**G**

I don t want to live like I don t care

**D/F#**

I don t want to say another empty prayer

**C** **G**

Oh, I refuse to sit around and wait for someone else

**D/F#**

To do what God has called me to do myself

**C** **D**

I could choose not to move

**G**

But I refuse
