TIP

INTRO: **Ebm B F#**

(VERSE 1)

Ebm **B**
I got the call this mornin
F#
At seven forty five
Ebm **B** **F#**
Ben told me what happened to you
Ebm **B**
Someone blew right through that light
F#
Couldn t stop in time
B
You didn t make it past Oak Avenue

(Verse 2)

Ebm **B**
Well now you got me thinking
F#
That I should have thought twice
Ebm **B** **F#**
Before I said the things I should have never said to you
Ebm **B**
Now the chance to make amends
F#
The chance to apologize
B **Db** **B**
Is the silent and cold Oak Avenue

(CHORUS)

Ebm
Why did I wait

B **F#**
To say the words inside of my head
Db
I m sorry
Ebm
Now It s too late
B **F#**
Sorry is what I should have said
Db **Ebm B F# x2**
And I could have told you before Oak Avenue

(VERSE 3)

Ebm **B**
If I would have known
F#
That we were running out of time
Ebm **B** **F#**
I would have broken down and talked to you
Ebm **B**
Now I have to face the truth
F#
That s cooler than my pride
B **Db** **B**
Now I have to face Oak Avenue

(CHORUS)

Ebm
Why did I wait
B **F#**
To say the words inside of my head
Db
I m sorry
Ebm
Now It s too late
B **F#**
Sorry is what I should have said
Db
And I could have told you before Oak Avenue

(Bridge)

B **Db**
(I should have told you)...Oak Avenue
B **Db**
(I should have told you)...Oak Avenue
B **Bb**
(I should have told you)...

(CHORUS)

Ebm
Why did I wait
B **F#**
To say the words inside of my head
Db
I m sorry
Ebm
Now it s too late
B **F#**
Sorry is what I should have said
Db
And I could have told you
Ebm
I should have told you
B
That I m sorry
F#
That I loved you
Ebm
Yeah I m sorry
B
I didn t mean to, no
F#
I m so sorry
Db **Ebm B F# x2**
And I could have told you before Oak Avenue

(OUTRO)

Ebm **B**
I got the call this mornin
F#
At seven forty five
Ebm **B**
Ben told me what happened
F#
To you...
