

Shine On Us
Josh Wilson

Intro: C Csus

C Csus
This city doesn't sleep at night
C Csus
At ten o'clock it comes alive
F G Csus
There's 20 million people, then there's me

C Csus
A taxi driver every day
C Csus
A lot of work, a little pay
F G Csus
Just looking for a way to find some peace

F G
But finding peace
G C/E F
Is way too hard
F C/E Dm C G
When you're looking in the dark

Am C F
So shine, shine, shine on us
Am C F
Oh God, we need your love
Dm Am G
These streets aren't bright enough

Oh Jesus, shine on us

C Csus
I'm sitting on this corner here
C Csus
My dignity just disappears
F G Csus
With every coin I beg into this cup

C Csus
No matter how much people pay
C Csus
It doesn't matter anyway
F G Csus
It never ever seems to be enough

F G

The light inside

G C/E F

My heavy heart

F C/E Dm C G

Is getting way too dark

Am C F

So shine, shine, shine on us

Am C F

Oh God, we need your love

Dm Am G

These streets aren t bright enough

Oh jesus, shine on us

Am

God above is full of mercy

Em

Turning darkness into dawn

F

All you who are weak and weary

Am G

Lift your heads and sing this song

Am C F

So shine, shine, shine on us

Am C F

Oh God, we need your love

Dm Am G

These streets aren t bright enough

Oh jesus, shine on us

Am C F

So shine, shine, shine on us

Am C F

Oh God, we need your love

Dm Am G

These streets aren t bright enough

C Csus

Oh jesus, shine on us
