Verse 2:

Now one turned to three

and on the fifth day a newsman came by

they plastered your picture

all over the news, Channel Nine

now mother found god

and father went bad

neither could help it

it s all that they had

so I sat in your room

but brother, you couldn't see me at all

Verse 3:

The call came quite early
from a man about 30 miles south
and driving to find you,
I felt both of my lungs giving out
they said that they found you
with your arms in a T
when I finally looked
you were staring at me
you had so much to tell
but I couldn't hear you at all

C **B7** **Em**
no I couldn't hear you at all
