Wilted Daisies Joshua James Capo 5 F - C С Pretty, pretty wilted daisies all in a row С G on the top of Mount Vernon in the dirty snow C \mathbf{F} С where the shadow sings of sunshine like a dying crow С С G pretty, pretty wilted dasies all in a row F - C С You re waving high into the night time of a New York street С G С Your newly painted yellow taxi has dirty seats С F You re racing quick into the nightclub, so that you can see C G C The same old sick and sadly strangers always seem to meet F G Am Cuz it s a long way to and a short ride from the top Am \mathbf{F} G it s a rotten middle finger and the cancer will not stop Am F G it s a long way to and a short ride from the top F your hand begins to slip or they cut CF-C either way you drop С F - C Your small apartment is a mess but you don t seem to care C G C the dirty dishes in the corner go with the broken chair С \mathbf{F} Higher grows the stack of bills that calmly declare if you don t pay within a week then your shit is theirs F - C С You go to work Monday through Sunday, open to close С G С the seven dollars that they pay, son, is good as a broken nose С F C when no one s watchin you pull your pants down and touch your toes С G C

your undercut n your exploited but that s how the country grows

F G Am Cuz it s a long way to and a short ride to the top F G Am it s a rotten middle finger and the cancer will not stop F Am G it s a long way to and a short ride from the top \mathbf{F} G your hand begins to slip or cut Am either way you take what they have stolen F or you try to break what can t be broken C you can speak what you believe G but every thought comes preconceived Am you try to wash your hands of this \mathbf{F} clear your conscience and dismiss С pretend our problems don t exist G we re takin aspirin for a broken wrist F G Am cuz it s a long, long way to the top Am F G it s a rotten middle finger but the cancer will not stop F G Am it s a long, long way to the top \mathbf{F} G your hand begins to slip or cut AmFCG either way we outro Am F C G

I look forward to the feedback!
