

**Song For A Grounded Angel**  
**Joshua Kadison**

Couldn't find it so I just tried it out myself. The piano is just an improvisation based on these chords.

When there's twice an F, in the original it's the same chord first a little higher, then lower-pitched.  
Hope this helps you out!

**C#**

**C#**

May the roads

**Fm**

In your gypsy soul

**F#**

Lead you to a higher

**F#**

ground

**C#**

**G#**

Kindred pilgrim

**F#**

**C#**

My kindred pilgrim

**F#**

**G#**

til what you seek

**C#**

Is found

**C#**

I see you now

**Fm**

wandering through this world

**F#**

**F#**

and how you seem to me

**C#            G#**

like a grounded angel

**F#                    C#**

remembering the skies

**F#                    G#**

and trying to

**C#**

be free

**G#**

**F#**

So fly on

**G#**

Fly on

**F7                    Bbm                    F#**

Fly on little angel, fly away

**G#                                    C#                    G#**

It s time to spread your wings

**F#**

So fly on

**G#**

Fly on

**F7                    Bbm                    F#**

Fly on little angel, fly away

**G#                                    C#**

I pray for you beautiful things
