This isn't perfect, but it's definitely passable.

(If the chords don't line up with the lyrics properly, I apologize.

I've had trouble with this in the past)

Standard Tuning - Capo on 4

Intro & Verse: **Bm A D G, Bm A G**

Bm **A** **D** **G**
Something's wrong from the hilltop

Bm **A** **G**
I know you can't see

Bm **A** **D** **G**
I look strong all together

Bm **A** **G**
Though inside I'm weak

(Same pattern here)

Still I bleed

Still I wait to heal

A wound for my crime

What I need

Are more bandages

They've torn over time

Em **D** **G**
You shelter from the rain

A
Turn around walk away

CHORUS

D **A** **Bm** **G**
Go now and don't look back

D **A** **Bm** **G**
My life's come off its tracks

D **A** **Bm**
And you should be

G
Free of me

Bm A D G

Bm A G

I couldn't be who you wanted

Somewhere down the road

When Iâ€™m whole
When the rains are done
When Iâ€™ve reaped all Iâ€™ve sown
But here and now
On my hands and knees
I crawl through the mire
And your head is so soft and warm
Iâ€™m weary and tired

CHORUS

You shelter from the rain
Turn around walk away
Go now and donâ€™t look back
My lifeâ€™s come off its tracks
And you should be
Free of me

Bm A D G

Bm A G

BRIDGE:

Em D

Leave me alone

Am

Iâ€™ll find another home

Em D

Iâ€™m on my knees

A

Crying out please

CHORUS

Go now and donâ€™t look back
My lifeâ€™s come off its tracks
And you should be
Free of me

Bm A D G

Free of me

Bm A G
