

your the one thing that i m missing here

D **A** **B** **A**
with you beside me i no longer fear

CHORUS

G **A**
i need to be bold, need to jump in the cold water
D **A** **B**
need to grow older with a girl like you,
G **A**
i finally see you were naturally,
D **A** **B**
the one to make it so easy when you show me the truth.
G **A**
Yeah-**E**-yeah-**E**-yeah
D **A** **B**
I d rather be with you.
G **A** **D**
say you want the same thing too.

BRIDGE

B **G** **D** **A** **B**
i could have saved so much time for us
B **A** **G** **A** **B**
had i seen the way to get to were i am today
G **D** **A** **B**
you waited on me for so long
G **A**
so now, listen to me say

CHORUS

G **A**
i need to be bold, need to jump in the cold water
D **A** **B**
need to grow older with a girl like you,
G **A**
i finally see you were naturally,
D **A** **B**
the one to make it so easy when you show me the truth.
G **A**
Yeah-**E**-yeah-**E**-yeah
D **A** **B**
I d rather be with you.
G **A** **D**
say you want the same thing too.
G **A** **D**
say you feel the way i do
