INTRO - C F C F

[VERSE1]

C F

They say

C F

That you don't but they do

C F

That I need a new face

C G

One that's more amused

C F

And some day

C F

We'll find a way to

C F

Meet in a new place

C G

When we're less confused

[PRE-CHORUS]

F Am F Am

We've been hurt before but that's all said and done

F Am

Now you're the only one

[CHORUS]

C F C F

I wanna dream in the same bed as you

C F C G

I want my clothes to smell like you do Like they used to

C F C F

I wanna dream in the same bed as you

C F C G

I want my clothes to smell like you do Like they used to

[VERSE 2]

C F

I have

C F

So much to tell you

C F

But I can't call you

C G

Cause it makes me sad

C **F**

You have

C

F

Probably found someone new

C **F**

C

Someone you think you've grown close to

G

But it's not me

[REPEAT PRE-CHORUS]

[REPEAT CHORUS]

[BRIDGE]

C **F**

I had wax wings

C **F**

And i flew to close to you

C **F**

Now I'm falling

C **G**

remembering why i miss you

[REPEAT CHORUS] x 2
