C C C C

Am G F C C C/B

What if I let myself fall

Am G F C C C/B

And what if the stars don t agree

Am G F C

Would the world stop, or would it spin round without us

Am G F  
Would it spin around you without me

Am G F C C C/B

Well our heroes have all been traded in

Am G F C C C/B

They can't think of what they used to be

Am G F C

So we look round and pray for salvation

Am G F

While they search for a light out at sea

C F G C/B C C/B

So we take one leap for the bottom and I

Am F G C/B C C/B

Pray your hopes not forgotten

Am F G C/B C C/B

And it's too much to say I need you this way

Am F G

But tomorrow, you're already, gone And I can't move on

Am F C G

Am F C G

Am G F C C C/B

I talk to you in my mind while I

Am G F C C C/B

Lie down, I wish you could hear all the

Am G F C C C/B

Words you'd said without knowing

Am G F

They've traveled the world in my ears

C F G C/B C C/B

As I take one leap for the bottom and I

Am F G C/B C C/B

Pray your hopes not forgotten

Am F G C/B C C/B

And it's too much to say I need you this way

Am F G

But tomorrow, you're already, gone And I have to move on

Am F C G

Am F C G

Em F C G Am

I've never known of a world where someone like me could

F C G Am F C G Am

Fall down to only be caught don't know how you turned on the light and

F G

Now I can see

**C F G C/B C C/B**  
 So I take one leap for the bottom and I  
**Am F G C/B C C/B**  
 Know your hope s long forgotten  
**Am F G C/B C C/B**  
 And it s to too much to say I need you this way  
**Am F G**  
 So tomorrow, Oh tomorrow, you re already, gone And I can t move on  
**C C C C**

and that s it! I hope this helped, please rate, comment and correct me!

Cheers..
