

So Long Sunshine
Joshua Radin

[capo on 6th fret]

INTRO: **F# Bbm B F# C#**

F#
I was just thinking
Bbm
It s been a long time
B
Since I got to see you
F# C#
Tell you, I wish you were mine
F#
And so I ve been sinking
Bbm
Into this dark place
B
Cause I need to hold you
F# C#
Tell you, I ll never be fine
B F#
Unless you come home
B C#
I wish you would come home

Ebm B F# C#
So long sunshine I ve opened my eyes
Ebm B F# C#
Clouds of grey have taken my warm sky
Ebm B F# C#
Away Still I know
G#m B F# C#
You re always, you re always

F#
Once
Bbm
I thought I saw you
B
Wearing those blue jeans
F# C#
The ones with the holes in the knees
F#
But I was mistaken
Bbm

It was a stranger

B

And she flashed me a smile

F#

C#

As if she could somehow see

B

F#

That I need you to come home

B

C#

I wish you would come home

Ebm **B** **F#** **C#**

So long sunshine I've opened my eyes

Ebm **B** **F#** **C#**

Clouds of grey have taken my warm sky

Ebm **B** **F#** **C#**

Away Still I know

G#m **B** **F#** **C#**

You're always, you're always

B **F#**

The day broke, it turned us around

Ebm

We ended up on the ground

B

C#

Suddenly everything changed

Ebm **B** **F#** **C#**

So long sunshine I've opened my eyes

Ebm **B** **F#** **C#**

Clouds of grey have taken my warm sky

Ebm **B** **F#** **C#**

Away Still I know

G#m **B** **F#** **C#**

You're always, you're always
