\* = harmonic

Tuning: Standard

Capo 4 (chords are realtive to the capo :D)

\*Drums\*

**C C**

**C Am**  
We re like a painting and now it s raining down

**F C G**  
Watch the colors run till we re almost one

**C Am**  
Watch us fading, from this one street town

**F C G**  
We ll sleep where we follow no where at all

**F G**  
And everyone wants something

**F G C**  
Well I m wanted by everyone but you

**C C**

**C Am**  
Well I ve been thinking about the bells with wine

Can t you see how time doesn t count at all

We ve been sinking , thumbs to the sky

Sing this lullaby, if you start to fall

See everyone wants something

Well you re wanted by everyone, but you

And sometimes I need the light

To sleep alone on this weary night

And you own the sun, you own the sky

And everyone wants something

Well if we re wanted, it s by everyone but you

I watch you sleeping , in your parents bed

Near the books you ve read, underneath the shroud of forgiveness

You look around the crowd, hear the stories loud so stand up now cause,

Everyone wants something

And if they re wanted, it s by everyone but you

Oh and if ur wondering what those 2 notes the guitar is always playing are, its this:

```
E-----|
B-----|
G----13----13----13----13----|
D-----|
A--14----14----14----14----|
E-----|
```

and that s it! I hope this helped, please rate, comment and correct me!

Cheers...
