this song is actually pretty easy if you know the timing. Just listen to the cd and you ll figure it out. Me and my band did this song for our school talent show. everybody loved it and thought we rocked so i know this is completly accurate. you can play it right along with the cd with the capo on 2nd fret. enjoy!

~~~~~Capo 2nd fret~~~~~

Intro: (distortion) **D Dsus D A G** x2

Verse:(strum 16 times for each chord while palm muting)

**D**

I m a punk rock prom queen

**A**

Brown paper magazine

**G**

hotter than youve ever seen

**E**

and every where and in between

**D**

I m a ten ticket thrill ride

**A**

Don t ya wanna come inside

**G**

A 5 star tripe plex

Harder then the hard to get

**E**

no ones little red corvette

aint seen nothin like it yet

Chorus: (distortion)

**D A Bm E**

It took six whole hours, and five long days

**D A G G G G**

for all your lies to come undone

**D A Bm E**

and those three small words, were way too late

**D A G G G G**

for you to see that im the one

Intro:

Verse:

I m your late night head rush  
ace high royal flush  
red velvet orange crush  
you just dont impress me much  
im your classic double cover spread  
open up inside your head  
black cherry paradise  
half the sugar twice the spice  
i dont want to treat you nice  
come on baby roll the dice

chorus: (except instead of g as the last note play Bm 8 times.  
Then strum G eight times.)

Bridge:

```
E-----|
B---3---3---3---3---2---2---3---3-|
G--2---2---2---2---2---2---0---0---|
D-----|
A-----|
E-----|
```

do the bridge twice except on the last --3---3--| , play G once.  
0---0----|

Chorus: x2 (continue last **G** into an **D Dsus D(r)**)
