i wish i was lonely

instead of just only

crystal and see through and not enough to you

Cause you don t see me

you don t need me and you don t love me the way i wish you would Cause you don t see me you don t need me and you don t love me the way i wish you would the way i know you could

ok sorry for being lazy..but like whatever the song is the same chords over and over again?it?s pretty easy to figure out even if you?re a beginner?so just like whatever?.pretty pretty song?oh and like I said before there are little fills and arpegiated parts that I didn?t put in but are easy to figure out?so just learn it it?s really beautiful.
