Intro: **Bbmaj7** **Gm7** **Cm7** **F7** (Bis)

**Bbmaj7** **Gm7**  
They say time waits for no man

**Cm7** **F7**  
And neither does this woman

**Bbmaj7** **Gm7** **Cm7** **F7**  
I ve been trying hard to understand what it will be

**Bbmaj7** **Gm7**  
Many words have come and gone and

**Cm7** **F7**  
Still Iâ€™m still holding on

**Bbmaj7** **Gm7** **Cm7** **F7**  
So if love remains we should be this crazy all this making me

**D7** **Gm7**  
Iâ€™ve been holding on

**C7**  
for way too long

**F7**  
I canâ€™t go on

**Bbmaj7** **Gm7** **Cm7** **F7**  
You ve got 4 and 20 hours

**Bbmaj7** **Gm7** **Cm7** **F7**  
Just one day to prove to me

**Bbmaj7** **Gm7** **Cm7** **F7**  
That your love has got the power

**D7**  
To make me believe

**Gm7** **G7**  
Or take me where I wanna be

**G7sus4** **Cm7** (add2) **Cm7** **C7** **F7**  
4 and 20 hours!

**Bbmaj7** **Gm7**  
And that s me thatâ€™s me

**Gm7**  
They say Rome wasnâ€™t built in a day~ but hey  
They ve got nothing on the patience that its taking me to wait  
See the stain on the hour glass thatâ€™s slipping through your hands

Every grain is starting to hurt from the hurt ?â€|burning from the chaffs

I ve been holding on  
For way too long  
I can t go on

You ve got 4 and 20 hours  
Just one day to prove to me  
That your love has got the power  
To make me believe  
or take me where I wanna be  
4 and 20 hours  
Oh oo...and that s me

See

**Bb**

See every day I

**Db**

I walk past my front door

**Gb**

And Iâ€™ve been wishing and hoping

**Ab7**

That today is the day that you

**Bb**

Youâ€™re gonna, youâ€™re gona smile in front of my face and tell me something

**Db**

Something worth talking about

**Gb**

Tell me that you still love me and love aint gonna leave me

Same as verseâ€|

Show it for me love

Show it for me now

Im gonna need something from you love

Im gonna need more than flowers

Bring me something real

Bring me something to talk about

Just make me believe in love

Make me believe that youâ€™re the man for me baby

Woo bah bah bah bah

Make me believe it baby

Donâ€™t leave me standing there by myself

Donâ€™t leave me standing there

really love

I canâ€™t stand it love

At the end of the song, on the second last measure the orchestra plays two chords: on first two parts of that measure the F7sus4(9) chord and on part 3 and 4 of that measure an F7 chord, then it goes to the last measure to Bb major chord.

Also you can play the notes G-A-Bb-B-C-D-Eb-E-F with over the chords G7sus4 Cm7 (add2) Cm7 C7 F7 at then of the Chorus, and notes C-D-Eb-F-G-A-Bb with the orchestra at the end of the song (these are the notes the violins play) or just harmonize them with thirds or whatever it may work.

Note: I got the lyrics from another web page and it has many mistakes on it but they just work to play the chords over the song if someone wants me to rectify lyrics, please send the right ones to me.
