They ve got nothing on the patience that its taking me to wait  
See the stain on the hour glass thatâ€™s slipping through your hands

Every grain is starting to hurt from the hurt ?â€|burning from the chaffs

For way too long  
I can t go on

You ve got 4 and 20 hours  
Just one day to prove to me  
That your love has got the power  
To make me believe  
or take me where I wanna be

Bring me something real

Just make me believe in love

Make me believe that youâ€™re the man for me baby

Woo bah bah bah bah

Make me believe it baby

Donâ€™t leave me standing there by myself

Donâ€™t leave me standing there

I canâ€™t stand it love

At the end of the song, on the second last measure the orchestra plays two chords: on first two parts of that measure the F7sus4(9) chord and on part 3 and 4 of that measure an F7 chord, then it goes to the last measure to Bb major chordâ€|

Also you can play the notes G-A-Bb-B-C-D-Eb-E-F with over the chords G7sus4 Cm7 (add2) Cm7 C7 F7 at then of the Chorus, and notes C-D-Eb-F-G-A-Bb with the orchestra at the end of the song (these are the notes the violins play) or just harmonize them with thirds or whatever it may work.

Note: I got the lyrics from another web page and it has many mistakes on itâ€| but they just work to play the chords over the songâ€|if someone wants me to rectify lyrics, please send the right ones to meâ€|
