

Buck Naked
Joss Stone

Buck Naked:

(G7, F7)

running naked down the state highway

(G7, F7)

runnin naked in the middle of the day

(G7, F7)

runnin naked like a tom cat s behind

(G7, F7)

runnin naked but the cat don t seem to mind

(G7, C7)

give me your heart

(G7, C7)

i ll give you mine first

(G7, C7)

give me your time

(G7, C7)

i ll give you my trust

(G7, F7)

buck naked now

like when we were born

when will we find out

why does it take so long
