

Free Me
Joss Stone

[G, C]

Ainâ€™t i got you on my back good

[G, C]

And you know I got you really good

[G, C]

Cuz thereâ€™s something deep inside of me

[Bb]

Iâ€™ve got to be

And did you (???) how to fallow me?

If I lose you in my jet stream

Then you only gotta raise your eyes

And see me fly

Chorus:

[G, C]

Donâ€™t tell me that I wonâ€™t, I will

[G, C]

Donâ€™t tell me that Iâ€™m not, I am

[G, C]

Donâ€™t tell me that my masterplan

[Bb]

ain t coming through

[G, C]

Donâ€™t tell me that I wonâ€™t, I will

[G, C]

Donâ€™t tell me how to think, I feel

[G, C]

Donâ€™t tell me cuz I know whataâ€™s real,

[Bb]

what I can do

[G, C]

So (???) donâ€™t see every day

[C, G]

The little girl has gone away

[G, C]

????????????????????

[Bb]

All of your dreams

[G, C]

And if thereâ€™s one thing I would say to you

[G, C]

Itâ€™s that thereâ€™s nothing that you canâ€™t do

[G, C]

Cuz itâ€™s all about your attitude

[Bb]

Donâ€™t let them get to you

Chorus

[G, C]

And we re singing in our own voice

[F]

We can make that choice,

[C]

to be, to be free

[G, C]

And we re singing in our own voice

[F]

We can make that choice,

[C]

to be, to be free

Music, and you feel
I love it. Yes I do.

Chorus

[G, C]

Free me, EMI!

Free me, Free me now

Do you hear me now?

Is it loud enough?

Is it clear enough for yourself?

Is it clear enough for you people?

Am I making myself clear?

Free me, EMI!
