Landlord
Joss Stone

The original chords was on C.
Put Capo on the 3rd Fret to get the exact sounds.

I transformed the chords to A so I don t have to play with Capo.
When turning from A to A7, tap finger from e5 to e3

```
        A                  A7
e-|---------5      e-|-----3
B-|---2------      B-|---2--
G-|---2------      G-|---2--
D-|---2------      D-|---2--
A-|----------      A-|------
E-|----------      E-|------
```

```
            E        E7
You ve been living
        A
Right beneath my feet
            E        E7
I ve been waiting
                  A                      A7
For the chance that we could meet

      D
You came upstairs
                  A          A7
To fix the hole in my roof
      D                 A        A7
Oooh baby, to tell you the truth
        D                 Dm
I wanna kiss you all over!
          A                 F#m
Oh yes I do, oh yes I do
              D
And here it is baby
            E          E7
Here s the pro-oooh-oof!

                A
Now that it s on
                A7
My love is so strong
            D
No-one can move me
```

```
                        A      A7
In the way that you have ...
                          D            Dm
Don t want your rent money baby ...
           A     F#m
Under my door ...
          D              E           A
I don t wanna be your landlord anymore

          E          E7
I just wanna be ...
       A
Your lover baby
         E              E7
I want you with me ...
    A            A7
No other lady
        D                        A     A7
I don t mind if you never have a dime
          D
I ve met alot of rich men
       A      A7
In my time
        D                    Dm
Had a whole bunch of girls ...
                       A       F#m(F#7)
They would call their prize .......
                 Bm7
But they don t do nothing for me baby,
                       E          E7
Like you do with your ey-yyy-yes!

              A
Now that it s on
            A7
My love is so strong
          D
No-one can move me
                     A     A7
In the way that you have ...
                       D            Dm
Don t want your rent money baby ...
          A     F#m
Under my door ...
          D              E           A     F#m
I don t wanna be your landlord anymore ...
          D              E            F#m   F#7
I don t wanna be your landlord anymore ...

Bm
... Never call you sweetheart
```

```
A
... No more Mr. Brown
Bm
... And we can go out dancing
A
... All over town
        Bm
Since so long ago
                    Dm
I would lie in my bed
        Bm7
Thinking about you
            Bm
Five floors down
          D
Tossing and turning
                      E      E7
You were messing with my head!

            A
Now that it s on
              A7
See I love is so strong
            D
And No-one can move me
                  A      A7
In the way that you have ...
                    D
Don t want your rent money baby
Dm                    A      F#m
Don t put it under my door ...
      D            E          A      F#7
I don t wanna be your landlord anymore ...
      D            E          A      F#7
I don t wanna be your landlord anymore ...
      D            E          A
I don t wanna be your landlord anymore ...

No I don t, no I don t uh
```
