[Verse 1]

Am **Em**
Don t go sending me those three dozen roses
Am **Em**
Don t you know that just one rose will do
Am **Em**
Don t go trying to put diamonds on my fingers
B7
Don t you know that I m making money too

[Verse 2]

Am **Em**
Don t go throwing those stones outside my window
Am **Em**
You don t gotta be calling three times a day
Am **Em**
Cause if you do then when we get together
B7
I ll be biting my lip cause there s nothing else left to say

[Pre-Chorus]

Am **Em**
Haven t you heard absence makes the heart grow fonder
Am **Em**
Haven t you heard nothing good comes overnight
Am **Em**
I m telling you straight baby, just in case you wonder
B7
It s turning me off, crowding me out, it s not right

[Chorus]

Am
Less is more
Em

Back it up, slow it down, let it breathe
Cause too much of a good thing can be bad
See we don t wanna go out like that
Less is more
Pull it back, hold it down, chill it out
If you want me to still be around, remember

[Verse 3]
If you wanna be showing your affection
Don t you know a simple kiss will do
So many beautiful ways for love s expression
But I m sorry to say your way ain t getting through

[Pre-Chorus]
Haven t you heard a little space makes the heart grow fonder
Haven t you heard nothing good comes overnight
I m telling you straight baby, just in case you wonder
It s turning me off, crowding me out, it s not right

[Chorus]
Less is more
Back it up, slow it down, let it breathe
Cause too much of a good thing can be bad
See we don t wanna go out like that
Less is more
Pull it back, hold it down, chill it out
If you want me to still be around, remember

[Bridge]

Am **Em**
It would be something if I had a chance to be missing you
Am **Em**
Too much for taking, it's driving me crazy, that's all you do
Am **Em**
It needs rearranging, it's so suffocating that I can't move
B7
You gotta take two steps back, believe what they say; it's true

[Chorus]

Am
Less is more
Em
Back it up, slow it down, let it breathe
Am
Cause too much of a good thing can be bad
Em
Be so bad
Am
Less is more
Em
Pull it back, hold it down, chill it out
B7 **Am**
If you want me to still be around, remember
