Haven t you heard absence makes the heart grow fonder

Bm
Less is more

F#m

Back it up, slow it down, let it breathe
Cause too much of a good thing can be bad
See we don t wanna go out like that
Less is more
Pull it back, hold it down, chill it out
If you want me to still be around, remember

[Verse 3]
If you wanna be showing your affection
Don t you know a simple kiss will do
So many beautiful ways for love s expression
But I m sorry to say your way ain t getting through

[Pre-Chorus]
Haven t you heard a little space makes the heart grow fonder
Haven t you heard nothing good comes overnight
I m telling you straight baby, just in case you wonder
It s turning me off, crowding me out, it s not right

[Chorus]
Less is more
Back it up, slow it down, let it breathe
Cause too much of a good thing can be bad
See we don t wanna go out like that
Less is more
Pull it back, hold it down, chill it out
If you want me to still be around, remember
