

## Security

Joss Stone

Hallo, my name is Vladimir, Im from Serbia.

This is one of my favourite songs of Joss Stone that came up on her Mind Body & Soul album 2004.

Joss Stone - Security  
(album: Mind Body & Soul, 2004)

**Am** **Em**  
A loss that would have thrown  
**Fsus2** **Dm**  
A hole through anybody s soul  
**Am** **Em** **Fsus2**  
And you were only human after all

**Am** **Em**  
So don t hold back the tears my dear  
**Fsus2** **Fsus2-Em-Dm**  
Release them so your eyes can clear  
**Dm** **C**  
I know that you will rise again  
**Esus4** **E**  
But you gotta let them fall

**Fsus2** **Dm**  
I wish that I could snap my fingers  
**Am**  
Erase the past but no  
**Dm** **B/D**  
You cannot rewind reality  
**Esus4** **E**  
Once the tape s unrolled

**Am** **Em** **Fsus2** **Dm**  
If your spirit s broken and you can t bear the pain  
**Am** **Em**  
I will help you put the pieces back

**Fsus2**                      **Dm**  
 A little more each day  
                  **Am**                      **Em**                      **Fsus2**  
 And if your heart is locked and you can't find the key  
**Fsus2-Em-Dm**                      **C**  
 Lay your head upon my shoulder  
**Esus4**  
 I'll set you free  
                  **E**                      **Am**  
 I'll be your security

Chords: **Am, Em, Fsus2**

A moment of despair  
 That forces you to say that life's unfair  
 It makes you scared of what tomorrow may bring

But don't go giving into fear  
 Stop hiding all alone in there  
 The show keeps going on and on  
 But you'll miss the whole damn thing

I wish I had a crystal ball  
 to see what the future holds  
 But we don't know how the story ends  
 till it's all been told

Chorus

**Dm**  
 On any clock upon the wall  
**C**  
 The time is always now  
**E7**  
 So baby kiss the past goodbye  
**Am**  
 Don't let the future blow your mind  
**F**  
 Just sit back and chill  
                  **Em**  
 Take things as they come  
                  **Dm**  
 You can't be afraid  
                  **B/D**  
 To live for today  
**F**                      **E7**  
 I will be with you each step of the way
