Are we gonna to take that last step together

Intro

Baby don t it feel like a carousel

Where all the world is rushing by

But when it stops you realize

That you re right back where you started at

I need a little more than that

It time for us to face the facts

Whether to be or not to be

That is the question so it seems

We re going nowhere in between

So tell me...

Chorus

Don t wanna play this game anymore
