

Easy To Fall
Journey

A E F#m D A E F#m
In the morning, sunlight shining The face in the mirror knows the crime

A E F#m A E F#m
Voices cry from the darkness A broken promise one more time

D A E
You say you believe in love And still you run

D A Esus4 E
You only believe in God when you come undone

A E F#m D
So here you are... You brought everything on yourself

A E F#m D
So easy to fall When you're all alone by yourself

A E F#m D A E F#m
He said he's tried everything he could A fool's illusion one more lie

A E F#m
There'll be demons waiting in the shadows Of a concrete world

A E F#m
Tears are runnin' tonight

D A E
You say you believe in love And still you run

D A Esus4 E
You only believe in God when you come undone

A E F#m D
So here you are... You brought everything on yourself

A E F#m D
So easy to fall When you're all alone by yourself

A D A D D5 E
Still the voices cry to you

F#m Dsus4
It's time to say the words unspoken

C G Am F
So here you are... [easy to fall] You brought everything on yourself

C G Am F
So easy to fall When you're all alone, by yourself
