Easy To Fall

F#m Dsus4

Journey D A F#m E F#m In the morning, sunlight shining The face in the mirror knows the crime F#m Α E Voices cry from the darkness A broken promise one more time You say you believe in love And still you run You only believe in God when you come undone E F#m So here you are... You brought everything on yourself E F#m So easy to fall When you're all alone by yourself F#m Α E D He said he's tried everything he could A fool's illusion one more lie F#m There`ll be demons waiting in the shadows Of a concrete world Tears are runnin` tonight You say you believe in love And still you run Α You only believe in God when you come undone E F#m So here you are... You brought everything on yourself F#m So easy to fall When you're all alone by yourself AD AD D5 Е Still the voices cry to you

It's time to say the words unspoken

So easy to fall When you're all alone, by yourself

C G Am F So here you are... [easy to fall] You brought everything on yourself
