Once in your life you try  
**Bb**  
The one youre holdin  
**C**  
Is the one that tears you...apart

**C**                    **F**  
Deep in her arms you lie  
**C**                    **F**  
Deep in the night her eyes  
**Bb**  
Tell you secrets

**C**  
to the one you try to deny  
**Am**                    **G**  
Touch me, Touch me crazy  
**Am**                    **F**  
How your kiss betrays me

**Dm**                    **Bb**    **C**  
Its not the love,  
**F**  
Its just the rain  
**Dm**                    **Bb**  
Two broken hearts  
**C**                                    **Dm**  
but not in vain...  
**Bb**    **C**  
Its not the love

Its just the rain
