

**Open Arms Intro**  
**Journey**

i had to do this cuz there was several tabs of chords but i wanted the actual tabs for the intro, so i had to pick it out! with the help of my girlfriend!

```
E |-----|
B |-----7-----|
G |-----9-----7-----9-----6--7-----|
D |-----7-----7-----7-----|
A |-----|
E |-----|
```

```
E |-----|
B |-----|
G |---7-6-7-6-----6----4-----|
D |-----7-----|
A |-----|
E |-----|
```

Then thats pretty much it.... just repeat as many times as needed till u get to the next part.
