**Em**                    **Esus2**  
Watchin the sun come up  
**Cmaj7**                    **Em**  
Like I ve never seen it before  
**C**                    **Cadd9**  
I ve been gone for a long time  
**Am**                    **Dsus4**  
There s no place to hide anymore  
**Em**                    **Esus2**  
I feel the light on my face  
**Cmaj7**                    **Em**  
Touchin me down to my soul  
**C**                    **Cadd9**  
Waking up from a bad dream  
**Am**                    **Dsus4**  
Something I had to let go

**Em**                    **C**  
Can t blame anyone  
**D**                    **Bm**  
For all of the damage I ve done  
**Em**                    **C**  
I had to face myself  
**D**  
Before I d fall down I found I could turn around

**G**                    **D**  
Walkin away from the edge  
**Em**  
While I can still live to tell  
**G**                    **D**  
Coming back from the dead  
**F**                    **C**  
On the road between heaven and hell  
**Em**                    **D/F#**  
Freedom comes day by day  
**Am7**                    **C**  
Till the demons are out of my head  
**Em**  
Walkin away from the edge...

**Em**                    **Esus2**  
You don t know how lost you are  
**Cmaj7**                    **Em**  
Till you re spinning out of control  
**C**                    **Cadd9**  
Before you know it you ve gone too far

**Am** **Dsus4**  
Left the rest of the world far below

**Em** **Esus2**  
Friends are gone one by one

**Cmaj7** **Em**  
I d pretend I m alright on my own

**C** **Cadd9**  
My disguise just starts wearin thin

**Am** **Dsus4**  
Until all I ve become is alone

**Em** **C**  
I reached out to anyone

**D** **Bm**  
Who would tell me what I d want to hear

**Em** **C**  
But I m the one who could save myself

**D**  
I couldn t look down, I turned around before it was too late
