

Walkin Away From The Edge Journey

Em **Esus2**
Watchin the sun come up
Cmaj7 **Em**
Like I ve never seen it before
C **Cadd9**
I ve been gone for a long time
Am **Dsus4**
There s no place to hide anymore
Em **Esus2**
I feel the light on my face
Cmaj7 **Em**
Touchin me down to my soul
C **Cadd9**
Waking up from a bad dream
Am **Dsus4**
Something I had to let go

Em **C**
Can t blame anyone
D **Bm**
For all of the damage I ve done
Em **C**
I had to face myself
D
Before I d fall down I found I could turn around

G **D**
Walkin away from the edge
Em
While I can still live to tell
G **D**
Coming back from the dead
F **C**
On the road between heaven and hell
Em **D/F#**
Freedom comes day by day
Am7 **C**
Till the demons are out of my head
Em
Walkin away from the edge...

Em **Esus2**
You don t know how lost you are
Cmaj7 **Em**
Till you re spinning out of control
C **Cadd9**
Before you know it you ve gone too far

Am **Dsus4**
Left the rest of the world far below

Em **Esus2**
Friends are gone one by one

Cmaj7 **Em**
I d pretend I m alright on my own

C **Cadd9**
My disguise just starts wearin thin

Am **Dsus4**
Until all I ve become is alone

Em **C**
I reached out to anyone

D **Bm**
Who would tell me what I d want to hear

Em **C**
But I m the one who could save myself

D
I couldn t look down, I turned around before it was too late
