

Winter Snakes
Joy Again

E F#min7
Winter snakes
E F#min7
Sleeping in the lobby
E F#min7
I better find a hobby
B7 E
Or I ll become a snake too
E F#min7 B7 E
Sneaking out the courtroom just as the judge condemns you
E F#min7 B7 E
Life is just a pretty game that we don t want to play
E F#min7 B7 E
I almost cried once at the homeless man in the fast food chain

[Chorus]

E F#min7
Don t you know
B7
That itâ€™s alright
E E
If we don t do something right
F#min7
What is this
B7
Heavy light overcoming me
E
Every night

[Verse]

C#min7 F#min7
Is it our fault, if we re doomed
B7 E
Consuming me, consuming you
C#min7 F#min7
If you re tired, let s kick back
B7 E
Lay in the sun, take a nap

E C#min7

[Verse]

E F#min7

Winter snakes, do you know

B7 E

How many times you ve seen it snow?

E F#min7 B7 E

Is it all in your head, a pretty girl in your bed?

C#min7 F#min7 B7 E

Maybe I don t deserve a single thing, not promising

C#min7 F#min7 B7 E

Anything; a glimmering girl, a silver trout, a broken world

[Chorus]

C#min7 F#min7

God s great grave, a funeral

B7 E

A fire full of old books

C#min7 F#min7

Sleeping still, are you dead?

B7 E

Do you want to be, is that all that s left?
