

**Surrender**

**Joy Williams**

Surrender

Verse and pre-chorus chords are the same.

VERSE 1

**Gm F**

There are places in my heart and corners of my mind

**D7**

That Iâ€™ve hidden from Your light

**Gm**

Like buried treasure deep inside of me

**F D7**

I donâ€™t want You to see, I keep it to myself

**Eb2**

Oh, Lord

PRE-CHORUS

**Dsus D**

You give Your love to me

**Gm F C**

You open up Your heart unselfishly

**Eb D**

Lord, in Your embrace now I can say, I surrender

CHORUS

**Gm**

Everything I held so precious

**Eb**

Everything I kept away

**Bb**

I give it up, give it up

**F D Gm**

All for You, I give it all for You

**Eb**

Everything I held as treasure

**F Bb F D Gm**

I give it all for You, oh, I give it all for You

VERSE 2

In Your light, I feel a new power coming over me

Calling me to Your surrender; I gotta find the answer

What is this Your love has opened up inside?

Suddenly I cannot hide

PRE-CHORUS

**Dsus D**

You give Your love to me

**Gm F C**

You open up Your heart unselfishly

**Eb D**

Lord, in Your embrace now I can say, I surrender

BRIDGE

**Eb Bb F**

â€™Cause Your love is everything to me

**Eb Bb F**

And in Your light I finally see

**Eb Bb**

Oh, I canâ€™t hold it back

**D Eb**

Everything Iâ€™ve hidden deep inside

**Fsus F Gm Eb Bb F**

Now I surrender

Surrender, Lord, I surrender

I give it all to You

You give Your love to me

You open up Your heart unselfishly

How can I not do the same for You?

I surrender
