

You Loved Me
Joy Williams

[Intro]

G Bm Am Bm

[Verse 1]

G Bm Am Bm
I thought you wouldn't love me if I didn't do everything right
G Bm Am Bm
So I lied to tell the truth and hid myself most of all from you
Em Bm Am Am7
Good was never perfect, perfect never could be good enough for me

[Chorus]

G Bm
But I tried and I failed
Am G
And you loved me
G Bm
Oh, I tried and I failed
Am G
And you loved me

[Verse 2]

G Bm Am Bm
I had all the answers; that was easier than facing the dark
G Bm Am Bm
And I sold my story until the story started falling apart
Em Bm Am
Every secret spoken, out there in the open
Am7
I've pretended not to see

[Chorus]

G Bm
And I tried and I failed
Am G
And you loved me
G Bm
And I tried and I failed
Am G
And you loved me

[Bridge]

Bm Em C
I may never understand why I walked so far away
Bm C
I may never understand what it is that makes you stay

[Chorus]

G **Bm**
When I try, when I fail
Am **G**
And you love me
G **Bm**
When I try and I fail
Am **G**
And you love me
G **Bm**
And I try and I fail
Am **G**
And you love me
G **Bm**
And I try and I fail
Am **G**
And you love me
