

Fighting Kangaroo
Joyce Manor

[Intro]

E

[Verse]

A **E**
I was born a lucky one
F#m **C#m**
I wasn't having any fun
D **A**
I've turned around to try to run
E
But you were already gone

[Verse]

A **E**
And by the time that I found you
F#m **C#m**
There was nothing that I could do
D **A**
Became a fighting kangaroo
E
But it was never your fault

[Chorus]

D **E**
Of all these broken promises
F#m **C#m**
That found me in the end
D **A**
You're the one that I pretend
E
Was enough

[Verse]

A **E**
And is it true you knew I missed you
F#m **C#m**
Back when we were little kids
D **A**
Before we had the sense to give
E
You know were very wrong

[Chorus]

D **E**
Of all these broken promises
F#m **C#m**
That found me in the end
D **A**
You re the one that I pretend
D **A**
You re the one that I pretend
D **A**
You re the one that I pretend
E
Was enough

[Outro]
