

**Im Always Tired**  
**Joyce Manor**

I m pretty sure these are the chords.

Standard

Chord diagrams

NOTE: With the C/G/A chords, you can use the standard shape too, but I prefer just using the power chord version, it s your choice which one you use, they both sound good.

**G   Em   C   Am   F**

e		-3-----	(3)--5--1-----	-----	
B		-3-----	(3)--5--1-----	-----	
G		-4-----	5---5--2-----	-----	
D		-5--2---	5---7--3-----	-----	
A		-5--2---	3---7--3-----	-----	
E		-3--0-----	5--1-----	-----	

**G**

I m always tired.

I m always at least half asleep.

**Em**

**C**

Blemish and state how I don t feel great now.

**G**

I don t hang out in her hair.

I don t wonder if she cares.

**Em**

**C**

I lay awake now, I entertain my plans

**Am**

**C**

To one day miraculously be talkative and likable,

**Am**

**C**

To wake up as someone else, someone I know is inside of me,

**Am**

**C**

Just waiting to be put to use by something much more sharp than us.

**Am**

**C**

**F**

They pry out every fucking piece and still they re coming around again.

**Em**

They re coming around again.
