

**Sometimes Wanna Die**  
**Joydrop**

Title: Sometimes Wanna Die  
Artist: Joydrop  
Album: Viberate

Okay, this is the first song I've ever submitted but I know it's right because my tuner said so. This is just the very basic structure, but it should be a nice starting point. I've included the lyrics too so you can sing along. :)

Chords to use:

**G#** 466544  
**C#** x46664  
**F** 133211  
**Bb** x13331

INTRO: I don't have a very good ear and so I haven't figured out the guitar part for the intro yet. I'm pretty sure it starts with G# and it seems like it should follow the same progression as the rest of the song, but that didn't sound right. Anyway, I'm sure someone else will come along with it when they know it, or I will later. please feel free submit your own version if you know it.

The bass part: a -----4-----1--|  
e --4-----1-----|

This bass is repeated twice before the singing starts and it continues in the background throughout the whole song.

For the verses, listen to the song for the timing, but basically just play the bass notes with the quiet parts and then at the loud parts just play the whole chord (or power chord).

this is the whole song: G# C# F Bb

VERSE 1:

Don't worry about one thing  
Don't worry about nothing  
She said  
I'm not gonna let this one go  
Nobody's on my side  
Nobody seems to see how much,  
how deep, how far these things can be  
My eyes are dry and I... (2X)

CHORUS:

I, I still don't even know you

I, I still wish that I could hold you  
I, I... I sometimes wanna die

VERSE 2:

And everywhere I go  
And everyone I see  
Somehow  
Almost sets me free  
And the space where we meet  
Is different from the rest  
And I just can't seem to forget that  
My eyes are dry and I...

REPEAT CHORUS:

I, I still don't even know you  
I, I still wish that I could hold you  
I, I... I sometimes wanna die  
I sometimes wanna die  
I sometimes wanna...

VERSE 3:

And you were at the start  
And know you are the end  
And you left me with nothing to defend  
I need the voice of a good friend  
Can't stop myself from laughing  
No matter how sad these things can be  
These things can be...  
My eyes are bright and

REPEAT CHORUS:

I, I still don't even know you  
I, I still wish that I could hold you  
I, I still don't even know you  
I, I... I sometimes wanna die  
I sometimes wanna die (repeat until end)  
Yeah, I sometimes wanna...

i hope that helps you!
