

Party

JP Cooper

NOTE: It s better to be played bar chords
Don t forget to rate!

[Intro]

Em

[Verse 1]

Em We got a problem, sitting in front of two piles of albums **C**

We were so happy the times that we bought them **D**

All that we know about love is in them **C**

All that we have learned **Em**

Helping you out when I don t even wanna **C**

Carrying boxes and memories for ya **D**

I m not a smoker but now I m searching **C**

For a light

[Chorus]

Em Now, we re having a party

And all our friends are having a laugh, hey **C**

But it s not so funny to me **D**

When morning comes, you ll be gone **C**

[Verse 2]

Em We got a problem, they playing our song but we re done with the dancing **C**

It won t be long before everyone s asking **D**

Wishing that we could still talk about it **C**

Look at all that we have got **Em**

Your decisions will come back to haunt ya **C**

D

And I ll be the ghost of a lover who lost it

C

Is there a way we can talk about it?

Oh no

[Chorus]

Em

Now, we re having a party

C

And all our friends are having a laugh, hey

D

But it s not so funny to me

C

When morning comes, you ll be gone

Em

We re just having a party

C

But it s feeling like a funeral, hey

D

But nobody konws it to me

Bm

When morning comes, you ll be gone, oh-oooh

[Bridge]

Em

That s when the music stops

C

And I see faces drop

D

I m beside myself, have you forgot

Bm

All that we ve been through?

[Chorus]

Em

We re just having a party

C

But it s feeling like a funeral, hey

D

Seen so much in here

C

When morning comes, you ll be gone, you ll be gone

Em

We re just having a party

C

But it s feeling like a funeral

D

Bm

Seen so much in here
