[Verse 1]

F#m C#m/E Dmaj7
Iâ€™ve been calling different cities home
Bm F#m Esus4 E
Looking for the parts of me you didnâ€™t get to know

Iâ€™ve been calling different cities home

F#m C#m/E D
but only on the days my hands are cold

cause I fell for you that morning in the snow

and here in California youâ€™re not on my mind much more
Bm E Dmaj7
only on the days my hands are cold

[Chorus]

A C#m/G# C#dim/G
you like to tell me I changed
F#m7 A C#m/G# C#dim/G
like anybody really stays the same

you like to tell me I changed

F#m C#m/E Dmaj7
You know me better than I wish you did

And I hate that my whole familyâ€™s gotta ask me how youâ€™ve been
Bm E Dmaj7
You know me better than I wish you did

[Chorus]

A C#m/G# C#dim/G
you like to tell me I changed
F#m7 A C#m/G# C#dim/G

like anybody really stays the same

Why accepting love is hard for me some days

A C#m/G# C#dim/G Dmaj7

Yeah I still got some habits that she's helping me to break

Now that you're just something to explain
