E Fdim F#m B7 E
E

I got your back no matter what
Fdim F#m

Even if you f*** up
F#m

I know you're just lookin' for love
B7

In the last place you left it
E

I promise I'll get it
Ddim F#m

I just don't wanna see you gettin' hurt again
Am6

Goin' against the best advice of all your friends
So let's pick up the conversation

E
'Bout how you deserve better
Fdim

I was happy when you left her
F#m

And I really f*****' hate her
But I swear I'd make an effort
B7

If she made you happy
But she doesn't make you happy

E Ddim F#m
She's hot and she's familiar, so you let her treat you badly...
Am6

I really can't stress this enough

E
It takes some time, it hurts 'til it doesn't
G#7

Lonely nights, they come by the dozen
A

Everyone loves you, that's just it
Am

I promise that it's gonna get better than this
E

It takes some time, but wait 'til it happens
G#7

Someone better than you can imagine

A
Everyone loves you, that's just it
Am
I promise that it's gonna get better than this

E
I got your back no matter what
Fdim
Everybody's got their blind spots
F#m
But you've been looking through 'em a lot

B7
You're distorting the memories

E
And I can see you forgetting
Ddim F#m
Why we wrote down eleven reasons not to f*** with her
She texts you once and now you're waiting up for her

E
It takes some time, it hurts 'til it doesn't
