

If the world was ending ft Julia Michaels  
JP Saxe

Intro: **F G**

**C**

>I was distracted  
And in traffic

**Am**

I didn't feel it when

The earthquake happened

**F**

But it really got me thinkin

Were you out drinkin' ?

**G**

Were you in the living room

Chillin' watchin' television?

**C**

But it's been a year now

Think I've figured out how

**Am**

How to let you go and

Let communication die out

**Am G/B C7M Em**

I know, you know, we know you weren't

**F**

Down for forever and it's fine

**Am G/B C7M Em**

I know, you know, we know we weren't

**F**

Meant for each other and it's fine

But if the world was

**F**

Ending you'd come over, right?

You'd come over and

**G**

You'd stay the night

Would you love me

**C**

For the hell of it?

All our fears would

**Am**

Be irrelevant

If the world was ending

**F**

You d come over right?

The sky d be falling

**G**

And I d hold you tight

And there wouldn t

**C**

Be a reason why

We would even have

**Am**

To say goodbye

If the world was ending

**F**

You d come over, right?

**G**

Right?

If the world was ending

**C**

You d come over, right?

**Am**

Right?

**C**

I tried to imagine your reaction

**Am**

It didn t scare me

When the earthquake happened

**F**

But it really got me thinkin

That night we went drinkin

**G**

Stumbled in the house and

Didn t make it past the kitchen

**C**

Ah, It s been a year now

Think I ve figured out how

How to think about you
