G/B D C G D4

No one's ever loved me like that

De caída, de subida,
de comienzo y despedida,
en cada momento ahí estas tù
diciéndome que no te vas, que no te vas.
La suma tuya y mis restas,
son la combinación mas perfecta
y si te soy muy honesta
me encanta pensar lo que nos queda.

Pues nadie nunca me ha amado igual,
de hospital otra vez en la cama de ayer, te miré y dije
Nadie nunca me ha amado igual,
dime no alguna vez por favor, que yo lo intentaré
Porque Nadie nunca me ha amado igual.
Ví a mi madre llorar con tu forma de amar y me vino a contar,
Nadie nunca me ha amado igual,

Nadie nunca me ha amado igual.

No one's ever loved me like that
Three AM in a hospital bed, runnin' high on my meds sayin'
No one's ever loved me like that
Tell me 'no, you don't have to be strong, you're allowed to be wrong'
No one's ever loved me like that
Mama cryin cause your love is the kind
She always wished I would find
No one's ever loved me like that
No one's ever loved me like that
No one's ever loved me like that
