

Line by line ft Maren Morris

JP Saxe

Intro:

F C F C

There are things that I sing that I d never have the confidence to say
There are things I believe that I only figure out when I sit down to play
The truth don t scare me in a melody, immortalizing my sincerity
There are things that I sing that I d never have the confidence to say

Like that song about my parents that I ll never show em
And the ones about my exes that they don t deserve
When it comes to you, I m still trying to find the words

Love too big for a love song
If I tried to sum it up I know I d get it wrong
Sometimes if it don t sound right
I apologize, I just said it cause it rhymed
Four chords, three minutes, you never fit in it
So I just take you line by line
Ooh, ooh-ooh, ooh-ooh

I ll be writing about you for the rest of my life
Line by line by line by line (line by line)

There are things that I sing that I ll never have the confidence to say
Like I m still not convinced that I won t be too much for you someday
Yeah, we both know the way it goes
Hear my fears all on the radio

There are things that I sing that I ll never have the confidence to say
