

More of you

JP Saxe

Intro:

C C C C

C C

I just want more of you

F C

G

F

C

You're about as out of my control as anything has ever been

G

F

C

I'm uncomfortable but lately, I've been kinda fuckin' into it

Em

Am

F

C

The way you wrap yourself around my body, I think I could live in it

G

I could live in it

F

C

You're not like anything I know or I've known

G Am

Like anything I know or I've known

F

C

You're not like anything I know or I've known

G Am

Like anything I know or I've known

F

C

G

You scare me, but I'm not afraid of it

F C G

You make me nervous, but I wanna stay in it

F C Em Am

I tend to complicate it, find fancy ways to say

F C G

I just want more of you

F C G F C

I just want more of you

C

F

C

When we're sittin' in the shower talkin' and you stop and stare at me

G

F

C

I remember what it's like to wanna choose somebody over everything

Am

F

I may need you to explain exactly everything those eyes mean

C G

Never mind, surprise me

F

C

You're not like anything I know or I've known

G **Am**
Like anything I know or I ve known (Like anything I know or I ve known)
F **C**
You re not like anything I know or I ve known (Like anything I know or I ve known)

G **Am**
Like anything I know or I ve known

F **C** **G**
You scare me, but I m not afraid of it
F **C** **G**
You make me nervous, but I wanna stay in it
F **C** **Em** **Am**
I tend to complicate it, find fancy ways to say
F **C** **G**
I just want more of you

F **C**
I probably love you
G
But it freaks me out sayin it
F **C** **G**
This feels too different to have the same name for it
F **C** **Em** **Am**
I tend to complicate it, find fancy ways to say (Ways to say)
F **C** **G**
I just want more of you (I just want more)
F **C** **G** **Am**
I just want more of you (Mm-hmm)

F **C** **G**
I just want more of you
