JRDN s Website: http://www.jrdnmusic.com/

Tabbed by: Dami (Dee Ay)
Email: dademidun@gmail.com

Tuning: Capo 3 (Standard Tuning)

Guitar Type: Acoustic

Chords you will need: Am F Dm Em

Strumming Pattern: All downstrokes. Very easy to realize the timing of the

strokes by

listening to the intro before the verse occurs at the beginning of the song.

Intro: Am F Dm Em

Am F

Damn I been slippin

Dm

On my game

Em

Ain t no visual

Am

Quite the same

F

Something bout you

\_

That makes everything so blurry

\*\*\* Same strumming pattern for the rest of the song: here are the remaining lyrics to

play with the SAME PATTERN as above verse throughout:

F:m

I just can t stop watching you

I m addicted

And you got that something

Thats got me wide open

Like digital feedback I m going

All out of focus I hope she don t notice
I m falling in love falling in love
With this high definition chick
High definition chick I need to get equipped
For this high definition chick
Oh oh oh oh o oh
I need to get equipped

Oh oh oh oh o oh For this high definition

And I
Need directions I m confused
Got me ca ca ca caught up I m through
With them other girls
Cause they ain t as clear as you whoa ah oh
I just can t stop watching you
I m addicted
And you got that something
Thats got me wide open
Like digital feedback I m going

All out of focus I hope she don t notice
I m falling in love falling in love
With this high definition chick
High definition chick I need to get equipped
For this high definition chick
Oh oh oh oh oh oh
I need to get equipped
Oh oh oh oh oh oh
For this high definition

I m bout to upgrade my situation
This way we don t have no complications
That girl she s bad and I want her
Just gotta have her you know that she s got me

All out of focus I hope she don t notice
I m falling in love falling in love
With this high definition chick
High definition chick I need to get equipped
For this high definition chick
Oh oh oh oh oh oh
I need to get equipped
Oh oh oh oh oh oh
For this high definition

Oh o oh hey eh hey Oh oh oh oh oh oh For this high definition
